

NEEDHAM PARK AND RECREATION

APRIL 2018

OPENING DAY NOT DETERMINED AS OF APRIL 27, 2018

We were recently informed by the PPBC of a new construction schedule for the Rosemary Recreation Complex that projects us opening in early August. While the contractors are pushing to open earlier, we wanted to share this information with you, as this is later than we expected, and primarily due to difficult weather this past winter.

MEMBERSHIP SALES

The Park and Recreation Commission has made the following determinations:
We will discontinue season membership sales as of May 1, 2018 for the remainder of the season.

Those who have purchased 2018 season memberships have the following options – *please fill out attached form or send e-mail response to pcarey@needhamma.gov.*

Request a full refund; OR

Keep the membership for the 2019 season, and for use of the Pools for the amount of time that they are open in Summer 2018.

A decision on daily rates and hours of operation will be determined closer to the time of opening.

PROGRAMS

Location(s) for Needham Sharks Swim Team practice will be rented for the full summer season, and a request to the League for away meets.

Swim Lessons Volunteers will have the option to switch to a summer program; or wait until we are open to assist with a limited lesson schedule.

Staff will still be hired, have extensive training, and will be prepared to open the site at the earliest possible time.

Special programs will be held, and information will be available closer to opening. We will do our best to offer swim lessons for the limited time.

Depending on available staff, there will be an attempt to stay open into September.
